

Summer Band 2018

August 6-17

Dear Parents,

First, I would like to say that it has been a pleasure working with your students this past year. They went far and worked their way up to the state contest. I am very proud of them! I am looking forward to this next marching season and seeing how far they will go this year. It will be a fun and rewarding year.

Now on to future events, summer band will be upon us before we know it. It is set for August 6-17. I wanted to give each of you a heads up so that you can plan accordingly. **It is very important that your student shows up and is in attendance. Failure to do so may result in loss of a spot in the marching show, suspension from performances at games, or removal from the program.** I feel it is important to start off the season strong and that means showing each student to be responsible for their program. If one person lacks, then the whole program suffers.

There will also be a registration. Each student will come and check out their uniform and instrument. This will be held on August 2nd. It is very important that they show up so that we can get things in order before the season gets really busy. I will outline the times at the end of this letter.

Here is also a list of items your student will need to have during camp:

- Since it will be hot, wear school appropriate, comfortable, and cool clothing
- Tennis shoes! (No sandals, boots, flipflops, etc.)
- Water bottle with students name
- Sunscreen
- And most importantly bring a fun, willing, and excited attitude

There will be a parent meeting on August 2nd @ 6pm. It is very important that you (parents) be in attendance as we will talk about expectations and standards of the students, practice times, and calendar events. This will also be a good time to get you as the parents involved.

Our first performance will be right after school starts. We will be marching in the Perryton Wheatheart Celebration parade again this year and would love for each of you to come out and support us. It is set for **Saturday August 25th**. Time is TBA.
